DEFINITION OF TERMS

1. **Active Cases** - Number of client cases remaining open at the end of the reporting period at state operated outpatient clinics, grant-in-aid facilities, and private hospitals.

2. **Case Closings** - Removal of clients from the rolls of state operated outpatient clinics and from grant-in-aid facilities.

3. **Case Openings** - Enrollment of clients to state operated outpatient clinics and to grant-in-aid facilities.

4. **Client Contacts** - Duplicated count of service events given to a client at state operated outpatient clinics and at grant-in-aid facilities. In a day mode setting, a client contact would be equal to one day of attendance.

5. **Detox Episode** - The period of time during which a client is undergoing alcoholism detoxification in an approved social service detox agency. This treatment should not be confused with services given in alcoholism halfway houses, or other alcoholism programs.

6. **Filled Positions** - Includes positions active and occupied, both full time and part time, as of end of period. It excludes positions authorized but unoccupied (vacant) as well as occupied positions where the employee is on leave of absence or suspension.

7. **First Admissions** - Are admissions of persons who have had no record of prior hospitalization in any Illinois Department of Mental Health and Developmental Disabilities inpatient facility.

8. **Live Discharges** - Are live discharges of patient on books. These include those who were residents or on temporary absence but does not include those on U.A.

9. **Net Additions** - Equal admissions plus transfers-in minus transfers-out.

10. **On Books Population** - Is the total number of patients on the rolls of a DMHDD facility, and consists of the resident population plus the temporary absence population.

11. **Patients Served** -

    General Hospitals
    Private Sanitaria - Active cases end of period plus separations during period.

12. **Placements on Temporary Absence** - Is the number of times patients have been placed on temporary absence status from resident status during the period. These events are repeatable, since a patient may have more than one placement, especially to home visit, during a given period of time.

13. **Readmissions** - Are admissions of persons who have had prior hospitalization in an Illinois Department of Mental Health and Developmental Disabilities inpatient facility.

14. **Resident Patient Days** - Accumulated number of days for patients while in resident status during the reporting period.

15. **Resident Population** - Is that portion of the on books population that is physically present at a DMHDD inpatient facility.

16. **Resident Population Plus Home Visit** - Patients physically present at DMHDD inpatient facility plus those who are away on home visits.

17. **Transfer** - Lateral movement between DMHDD inpatient facilities.

18. **Temporary Absence Population** - Is that portion of the on books population that is on a temporary leave status from a DMHDD inpatient facility.

19. **Terminations of On Books Population** - Includes discharges, closings and deaths of residents and temporary absence population.

19a. **Closings** - This classification is used to define terminations of voluntary and involuntary recipients who left without permission and were not reported as U.A. (These are recipients determined not to require detention for the protection of themselves or others). Also, voluntary recipients placed on U.A. whose admission period has expired and involuntary recipients placed on U.A. whose commitment period has expired are included in these terminations.

20. **Treatment Category** - Diagnostic area in which patient is to be treated.
